The Thaanora logo

The logo is a monogram plus a wordmark. Use the full lockup wherever there is room; use the monogram alone only where space is tiny (app icon, favicon, stamp, seal).

Primary logo. Monogram above the wordmark. A small Rani Pink ث sits above the final A.

COLOUR

The colour palette

04

Emerald and ivory carry the design, gold adds luxury and Rani Pink is the single accent that draws the eye: a sale tag, a button, the ث. For print, match HEX to Pantone and approve a printed proof.

All fonts are free on Google Fonts. Use at most two Latin fonts per design. Body text at least 14 px on screen, 10 pt in print. Mirror layouts for Arabic and Urdu. In Excel or Word, use Georgia for titles and Arial for text.

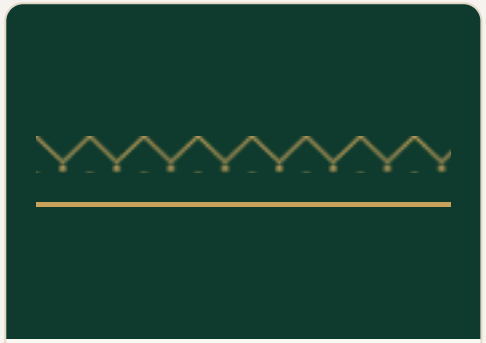

Patterns, icons and details

06

Details come from Pakistani textiles and are used lightly, so the clothes stay the star.

Mughal jaal. Background texture at 8–12% opacity.

Gota border. Thin border on banners, boxes and posts.

Arch frames. Frame products and fabric swatches.

Paisley accent. Small icon or bullet only, never large.

DO AND DON'T

Keep it Thaanora

II

DO	DON'T
✓ Lead with emerald or ivory; let gold frame	✕ Neon colours or rainbow gradients
✓ One Rani Pink accent per design	✕ Rani Pink for big areas or body text
✓ Generous white space	✕ Crowded patterns, stickers, many fonts
✓ Real fabric texture and real women	✕ Cheap stock or replica-looking photos
✓ Short, warm lines in the customer's language	✕ Slang or "cheapest price" claims
✓ Say cash on delivery and Riyadh delivery	✕ Online-payment logos (we are COD only)
✓ Mirror layouts for Arabic and Urdu	✕ Arabic or Urdu in a Latin-only font

On brand: emerald, one pink action, calm space.

Off brand: loud colours, shouting, price-war tone.
